MEMORANDUM FOR: Special Support Assistant to the DDA

FROM: Clifford D. May, Jr.
Acting Deputy Director for Administration

SUBJECT: Task Force Report on Working Married Couples

REFERENCE: Memorandum for the Record, Same Subject, dtd
18 October 1979

Brad,

1. I have reviewed your 18 October MR on the above subject. While I generally agree with the findings of the special review group, I have the feeling that not much will happen unless we are more specific in assigning action responsibility and schedules for accomplishment such as was done in the case of the PRA issue. For example: With regard to Recommendation #5, I think that if we accept the recommendation in principle, we need to also agree on some kind of procedure or check list to be sure that nothing falls through the crack. I think someone should be charged with developing that procedure. There are several other of the recommendations that give me similar concerns.

2. Re Recommendation #9, I think that any Agency-wide policy notice should be more informative than the one proposed. I think it should, if possible, cover our planned actions in all of the areas covered by the 10 recommendations.

3. Perhaps we should keep this special review group intact until we wrap up all the loose ends. Let's discuss.
